

Remember when you were at Goodman Middle School,
and it was the only one in Gig Harbor?
...at "13" you thought that "40" was older than dirt?
....you didn't have a cell phone and there was no "Google"?

We'll dig out those San Francisco Riding Gear buckle-backs,
pink Polo shirts, Adidas Superstars, and join your classmates from
Goodman '81, Peninsula High School '85, and
Gig Harbor High School '85 for an evening of "catching up".
